Attention: Special Program Examiner for relevant group art unit

Sir:

I declare that I am an attorney of record in the above-referenced application.

Upon information and belief, I declare that there is an infringing device or product actually on the market in the United States of America.

A rigid comparison of the infringing device or product has been made with the claims of the referenced application. In my opinion, some of the claims are unquestionably infringed. As an example of a claim being infringed, the following claim from the above-referenced application

is compared to the infringing product:

| displaying the at least one selected portion of the at least one wager to at least one patron; and | The infringing device (gaming system) displays the selected runner of the win bet of the race on a display element. |
| providing the at least one patron an opportunity to place the at least one wager. | The at least one patron is provided with an opportunity to place the at least one wager by interacting with the gaming system. |

I declare that I have made or caused to be made a careful and thorough search of the prior art. Submitted herewith, accompanied by a Supplemental Information Disclosure Statement and a form PTO-1449 or equivalent, are copies of references deemed most closely related to the subject matter encompassed by the infringed claims.

I declare that actual, literal infringement of at least some of the claims of the above-referenced application exists. Therefore, expedited prosecution of the above-referenced application is sought.
